

It's Too Loud!

A Social Story

There are lots of children in my classroom.

My teacher talks to all the children.

Sometimes, there is too much noise. It is loud and it bothers my ears.

When it is noisy in the classroom, it is easy to get confused and frustrated.

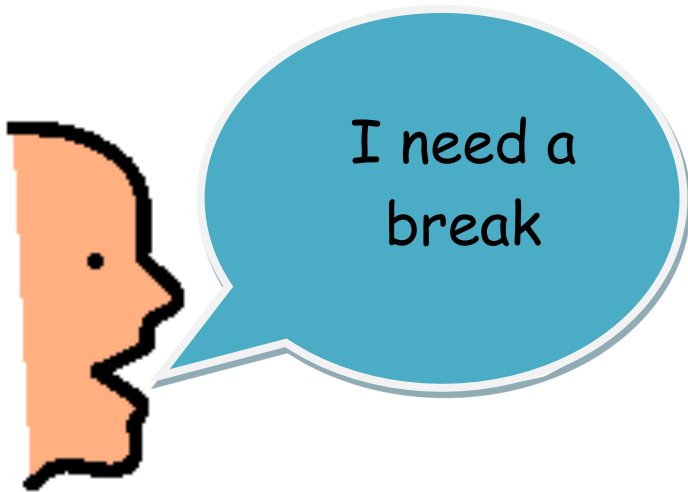

When it's too loud, I can:
SAY:

or

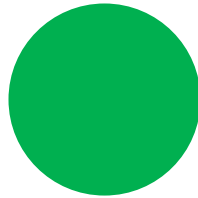

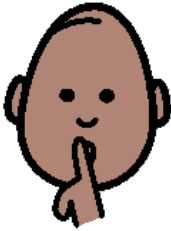

or

When it's too noisy, I
can:

Find a quiet spot

OR

Take deep breaths.

When things are noisy,

I can stay calm and in control, which will make

my friends, teachers and I happy.
