Marvellous Middle

Our Marvellous Middle will take place at Wanstead Forest where children will get to see some of the historical buildings that used to house some of the wealthy residents of Ilford, as well as sketching local landscapes and wildlife. In addition, they will take geographical travel surveys and explore compasses, navigational skills and map work.

Fantastic Finish

Children will end with a year group enterprise day where each class will create their own mini-business and compete to raise the most money – Apprentice style! Children will create a time capsule for future year 6 students.
